

55" (140cm) diameter x 69" (175cm)h  
Requires 8' (244cm) diameter area including players

## Carousel

- Choose from any combination of Xbox, PlayStation or Touch2Play
- Game packs can be loaded to the video game systems
- Must be bolted to the floor
- Power can be drawn from above or below
- Standard electrical outlet

The Carousel is all about fun in a bright and colorful package that will be the center piece of any play area. The Carousel will house Touch2Play, PlayStation or Xbox video game systems in any combination of your choosing (please see Euro Metal for more information on game systems). The Carousel will entertain up to 6 players at one time. This popular and durable structure suits any environment where kids from 4 and up will be present. Color combinations are almost endless.

**The center piece of any play area.**
