Junior Bike

- Choose from 14 cabinet colors.
- Quick start technology.
- Remote control for on/off and volume.
- 1 year warranty.
- Ages 3 to 6.
- Easy to install; simply bolt it down and plug it in.
- Standard electrical outlet.

Great fun for the younger ones! The Junior bike provides all of the fun, exercise and experience of controlling your own bike without the competitive win or lose element. Children navigate the course by pedaling and steering.

Popular in all play areas.
