

Euro Triangle

The Kidzpace Euro Triangle has three durable locking cabinets with game systems that operate independently. **Choose from Xbox Series S, PlayStation 5, Nintendo Switch or our Touch2Play Max.**

Donor Recognition

A customized sign above the Triangle can recognize your facility, welcome visitors and thank any donors. (The Touch2Play can display a custom main screen right on the game system).

Design

The Triangle has a maple veneer finish with silver accent doors on the game system cabinets.

Game Systems

Xbox Series S, PlayStation 5, or Nintendo Switch include dual controllers, 23" HD monitor, 10 or 20 preloaded games for Xbox or PlayStation, and 10 preloaded games for Nintendo.

The Touch2Play Max uses touch screen technology and offers a wide variety of games and activities for all ages and interests. All components are secured in a locking cabinet.

Dimensions

Each side of the Triangle base is 28"

Height: 73"

Requires a 7' diameter including players
