

Fun and challenging games and activities for all ages!

The amazing Touch2Play Pro is a super tool to reduce stress, anxiety and boredom for patients and families in waiting areas, patient rooms, playrooms, lounges and lobbies in hospitals and clinics.

The Touch2Play Pro can be wall mounted, attached to a tabletop, our post, Universal Mobile Cart or Counter and Wall Components. The Pro has a 15" HD monitor with over 40 games and activities that appeal to all ages, from toddlers to teens to adults!

Games and activities include: • Card Games • Sports games • Action games • Word and Math games • Puzzles and Problem-Solving activities

Dimensions:

16 5/8" W x 11 1/8" H x 4 1/8" D

NEW FEATURE! Along with the amazing games and activities on every Touch2Play, you can add 10 one-hour long videos from Blue Monkey Planet. They are fun, relaxing and simply beautiful!
Contact us for more details on this delightful option!

CUSTOM SCREENS FOR DONATIONS AND FUNDRAISING EFFORTS

Welcome visitors, recognize and thank donors and display your hospital or clinic logo with a custom main screen. This is a valuable tool for fundraising and grant writing efforts and is included with every Touch2Play system.

Choose from 18 fun colors! For convenient movement of the Touch2Play between rooms, departments, or clinics, ask us about our Universal Cart.
